Dear Mr. President,

My name is Zuzana Andreatta and outside of my working hours I am intensively trying to improve the system of protection of children's and family rights in the Czech Republic, because I have found out during my life journey and from my detailed surveys concerning families and children that the situation in the Czech Republic is critical.

By this letter, I would like to ask you to **veto the government bill** amending Act No. 89/2012 Coll., the Civil Code, as amended, and other related acts, **according to Parliamentary Document 728**, if it is delivered to you in an unchanged form for signature.

An explanation of my request can be found in the attachments that I am sending you as part of this letter.

With the hope that the system of protection of children's and family rights will be improved, and with a kind greeting,

Ing. Zuzana Andreatta
