Dear Mr. President,

I am following up on my letter of 7 June 2025 with a request to **veto the government bill** amending Act No. 89/2012 Coll., the Civil Code, as amended, and other related acts, pursuant to Parliamentary Document No. 728 and Senate Document No. 145.

I am attaching a letter that I sent to the judges of the Constitutional Court today. I would like to draw your attention at practice again, this time in detail at the violence committed against children in the Czech Republic. I believe that after studying this document, you will come to the conclusion that an agreement between the parents is not possible in practice in many cases and that the care of one parent must be unconditionally preserved in the law, in accordance with the Convention on the Rights of the Child, recognizing ***that in the interest of the full and harmonious development of the personality, the child must grow up in a family environment, in an atmosphere of happiness, love and understanding.***

With the hope that the system of protection of children's and family rights will be improved, and with a kind greeting,

Ing. Zuzana Andreatta
